Educating students to become responsible, contributing citizens.

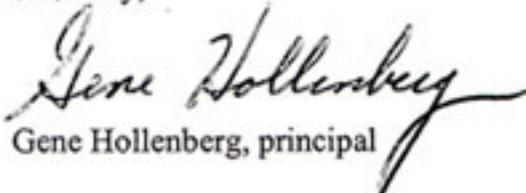

June, 2005

To Whom It May Concern:

Grissom Middle School is proud to work in cooperation with Five Star during the 2005 – 2006 school year. With our combined efforts, we hope to give direction and focus to many of our students, inspiring them to be the best they can be. We have always relied on our greater community to support us in the effort to educate all children for happy and successful experiences in life.

With the experience and support of energetic coaches from Five Star, we know we will be able to make a significant impact on the lives of students who may not have the support and resources they need.

Sincerely,

Gene Hollenberg, principal

Penn-Harris-Madison School Corporation
