ELKHART, INDIANA 46514

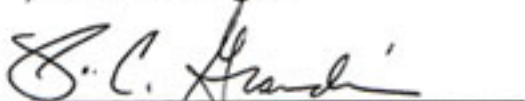

(574) 262-5578

June 8, 2005

The afternoons R.O.C.K. Club conducted at Woodland Elementary School by the *Five Star Destiny, Inc.* was a success. The enthusiasm of their staff permeated the entire atmosphere of their presentations and enlivened the students to participate in all of the activities in a learning manner. We definitely saw personal improvement in those that took part in this program. We are looking forward to having them return.
