You guys are truly amazing people and are making so many dreams reality! You challenged me physically mentally and spiritually. You have already touched so many people and many more to go! Thank you so much and I will be seeing you soon. Take care!

That was pretty much the coolest thing I have ever done - forget fear factor! Even though I had a little box, a LOT of trouble, you guys helped me through it... Justin and Eric, space or I'd go on forever...

Thanks for challenging me and pushing me to be better. The day was absolutely fabulous and I know you will never coach a better group! Thanks for everything! ♥ Rachel

I thank you so much for the wonderful time. I think you are very good at what you do & helped me realize my goals & the potential I have. It was so much fun.

Justin, Eric. You guys rock! Thanks for always watching me transfer (special shout out to Eric for just transferring me himself). The good news is I didn't die, the bad news Justin, you're real! Elise
