

Babette,

I really needed to say this to you!!

Thanks!!

Thank you for your help all throughout this year. I know for sure that you and all of the 5th coaches taught me things that my family probably wouldn't ever have said, and I'm very grateful for everything. It also helped me tremendously, to know that I'm not alone in this world.

At the beginning of the school year, I was extremely lost. I felt like I was an outsider or an alien that really didn't fit in. It was like I was a rug on the floor that everyone wiped their muddy shoes all over. However, after being in 5th, I learned how to fix that. Now, I'm trying my hardest to swallow my words (towards people at home) and serve love to them, no matter what they've done to me. Thank you!!

I just hope that someday I can be a 5th coach and do the same for tons of people.
